### IMPORTANT INFORMATION FOR WIRE CUSTOMERS

Effective at the close of business on April 1, 2011, the National City Routing Transit Number (RTN) 072000915 and the PNC RTN 042000398 will be "deactivated" or retired at the Federal Reserve Bank for wire transfer purposes only. All other activity originated or received using these RTNs (e.g., checks or ACH) will continue as normal for a period of time yet to be determined.

After April 1st, paying banks will no longer be able to remit funds using the RTN's listed above via Fedwire. If you have not done so already, it is extremely important to contact all remitters/originators and provide them with the correct wire instructions – including both the correct PNC RTN and your PNC Bank account number -- to ensure funds are credited to your account after this date.

If you've previously used the National City RTN 072000915 or the PNC RTN 042000398, please use the following wire instructions:

Receiving Bank:	PNC Bank
PNC Bank RTN:	041000124
Beneficiary:	Your Company's name
Beneficiary Account Number:	Your Company's account number with PNC Bank

If you need additional information on wire services, please contact the PNC Wire Transfer Operations at 1-800-PNC-WIRE (1-800-762-9473).

## IMPORTANT INFORMATION ABOUT ATM TRANSACTIONS AND PURCHASES

Under certain conditions we may allow you to complete a transaction that may cause an overdraft to your business checking or money market account when using your PNC Bank Business Visa Check Card at PNC Bank ATMs, non-PNC ATMs, and for merchant purchases. At PNC Bank ATMs we can give you the choice to cancel the transaction if it would cause an overdraft. We are not able to provide you this choice at a non-PNC Bank ATM or when making merchant purchases.

If you would prefer that we not allow overdrafts for card transactions at the ATM or merchant, please call us at 1-877-222-5401, Monday - Friday, 7 a.m. - 10 p.m.; Saturday and Sunday, 8 a.m. - 5 p.m. (ET), to opt-out. If you do so, we will decline transactions if your available funds are not sufficient to cover them.

If you have called previously to opt-out, you do not need to call again.

For more information, please see our Business Checking Accounts and Related Charges and / or Account Agreement for Business Accounts, Payment of Overdrafts for Card Transactions section.
